

Libell ClickFixx Larder

With their abundant storage space and clear, linear design, the shelves form an integrated unit with frame and slide-out system.

- Clip-on Libell shelves are available for larder units
- Optimal use of storage space, down to the very last inch
- Easy to attach to the tubular frame
- The shelves rounded shape and curved corners make them easy to clean

- Standard larder pull-out for extra space and greater convenience in any kitchen
- A full overview of the unit's contents with one easy movement
- Also available for narrow units

- Access from two sides
- The height-adjustable shelves help to make best use of the available space

- Soft opening and closing
- Moves smoothly and quietly
- ClickFixx assembly and easy adjustment

Pleno Larder Libell

The entire mechanism pulls out of the cupboard automatically when the door is opened. All components are attached to the door by a single guide bar, so the whole mechanism moves smoothly and gently.

- The upper slide-out system is discreetly attached to the underside of the highest shelf
- Flexible and easy to assemble

- Access from three sides
- You can adjust the heights of the clip-on shelves individually

- The entire contents of the unit can easily be pulled out, giving you an excellent overview and making great use of space
- Perfect for storing tableware, groceries, clothes, CDs, DVDs, books

- Just open the unit doors to make the unit's contents glide out smoothly
- The universal larder unit pull-out for kitchens, living rooms and dressing rooms
